Eugene Bosman

C#, Blazor, XAF, XPO Developer, MS Sql, MySql Db Admin, Linux Server Admin

City of Johannesburg, Gauteng, South Africa

Summary

"I'm on the payroll because I've got skills, not because I nod along to every 'brilliant' idea. Sure, this attitude might keep me from swimming in bonuses, promotions, or even make me the 'odd duck' in places that wouldn't appreciate my charm anyway. But hey, my principles aren't up for auction. I'll stand my ground - though, admittedly, sometimes I end up doing things I'm not thrilled about. If I object, I'll make sure it's heard loud and clear. And on the off chance that I'm proven right later? Oh, you'll hear my triumphant 'I told you so!' echoing in the halls, followed by an epic victory dance, flavored with a dash of my cultural spice!" - Eugene Bosman
